### Teacher Consultants

The pool of Teacher Consultants is grown through participation in the Invitational Leadership Institutes. These TCs return to their classrooms and districts with an increased understanding of and confidence in the teaching of writing and using writing as a tool to deepen and cement learning. Prior to the formation of SVWP in 2014, 89 teachers had gone through the satellite. Overall growth since site status was conferred is 76%

**2014:** 105 in TC pool      **2016:** 125 in TC pool
